YOUR WEDDING YOUR WAY

Welcome to Edgemoor Manor

Following a recent change of Management team we are excited to be offering weddings once again at Edgemoor. We have carefully considered the venue, history and space on offer and combined this with what we believe modern couples are looking for when planning their special day. We have decided to rename the Estate as Edgemoor Manor to enable us to offer a much more flexible package to couples.

*Good Karma
Club*

We are proud to be partnered with a local social enterprise group, The Good Karma Club, using proceeds to support local couples in adversity to have the wedding of their dreams.

Thank you!

CONGRATULATIONS

We can cater for a range of weddings, from small intimate ceremonies to large sparkling events.

Our picturesque gardens feature the pergoda, which is a romantic outdoor option, perfect for spring, summer and early autumn.

If you prefer an indoor ceremony, we have two distinctive function rooms that can cater according to your numbers.

The Lowerdown is a light bright room which is waiting for you to add your personal touch. This room can hold up to 100 day guests and 150 evening guests.

The Bar function room is a more intimate space for your ceremony, with tall windows and lovely views of the garden, suitable for up to 40 guests.

YOU ARE BEAUTIFUL

We are very excited to offer you a specially designed, exclusive room for the day of your wedding for all members of the bridal party to get ready. Enjoy a glass of bubbly together whilst your hairdressers and make up artists work their magic to help make your day super special. Our stunning room also provides ample opportunity for pre-wedding photographs.
